How To Crack TribeXR DJ School How To Download TribeXR DJ School For Free Troll research is important for the Internet - unignorant ===== joelrunyon I'm more of a fan of the second part: _But in the meantime he has discovered a subculture based on hate – a sector for people to congregate in order to celebrate the getting of it and take pride in spreading it, and to mock its detractors, in forums and blogs and message boards. Most of the best and brightest of the troll culture – the professional shouters and pranksters and one-linersmiths and social psychologists – are doing their research on the subjects they can get incited about: mostly young women, Jews, liberals, immigrants, Muslims, whites, and Finns, but also occasional hurricanes, and even, occasionally, patriotism. They seem to relish their role as the aggressor, as researchers and as provocateurs. ---- gfodor Interesting note on "whites". The writer seems to mistake them for being part of the "liberal" cause, which is a bit absurd on its own. I'm not even sure what the point of this example is, since there's little point in being anti-white with a "liberal" cause. ---- sachinag You're right. And it's a shame that the Guardian is using race as a proxy for shouting. That's not what this is. ----- GHFigs I think the bulk of the article has always been true. The key difference is that now we have the word "troll" in common use, instead of the correspondingly novel concept of "hatemonger" or "crackpot". ----- jacques 3e33713323
